Debtor(s) will retain any income tax refunds received during the plan term. Debtor(s) will supply the trustee with a copy of each income tax return filed during the plan term within 14 days of filing the return and will turn over to the trustee all income tax refunds received during the plan term. Debtor(s) will treat income tax refunds as follows: The following tax years are proposed to be contributed: 2020, 2021, and 2022. On or before April 30 of each applicable year, debtors shall provide the Trustee with a copy of the first two pages of filed state and federal tax returns. Any required tax refund contributions shall be paid to the Trustee no later than June 30 of the year the applicable return is filed. The Debtors are authorized to retain any Earned Income Credit and/or Additional Child Tax Credit as they are excluded from the disposable income analysis under 1325(b)(1) as being necessary for maintenance and support of the Debtors. The Debtors shall contribute any refund attributable to over-withholding of income tax that exceeds \$1,000. However, debtors are not obligated to pay tax overpayments that have been properly offset by a taxing authority. Tax refunds paid into the plan may reduce the plan term to no less than the Applicable Commitment Period, but in no event shall the amount paid into the Plan be less than thirty-six (36) or sixty (60) Plan Payments plus all annual tax refunds required to be paid into the plan. For the first tax year contribution for 2020, the Trustee will determine if the section 1325(a)(4) best interest of creditors test has been satisfied and will provide to counsel for the Debtor(s) a calculation of the required pot amount. If a pot to unsecured creditors is required, the Debtor(s) will have thirty (30) days from receipt of such calculation to file a motion to modify the plan to provide for the required return to unsecured creditors or to stipulate to an order modifying the plan, which order will be prepared by the Trustee. The Debtor(s) must satisfy plan feasibility through either increased monthly plan payments or the turnover of a lump sum contribution of the current tax refund. If a lump sum contribution is elected, the Trustee is not required to segregate such lump sum contribution and pay it immediately to unsecured creditors, but instead shall disburse such lump sum contribution in accordance with the Order of Distribution set forth in Local Rule 2083-2(e). If the Debtor(s) fail to file a motion to modify, the Trustee will move to dismiss the Debtor(s)' case. The Debtor shall contribute any refund attributable to over withholding of wages that exceeds \$1,000. 2.4 Additional payments. Check one. None. If "None" is checked, the rest of § 2.4 need not be completed or reproduced. 2.5 The total amount of estimated payments to the trustee provided for in §§ 2.1 and 2.4 is \$7,250.00
